DOCKET NO. 95-1000-E - ORDER NO. 95-1556
SEPTEMBER 20, 1995

IN RE: Application of South Carolina Electric) ORDER
 & Gas Company for an Increase in its) GRANTING
 Electric Rates and Charges.) EXTENSION OF
) PRE-FILE DATES

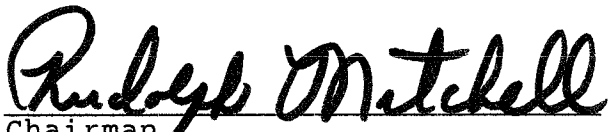

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Electric & Gas Company (SCE&G) for an extension of the pre-filing dates of Intervenor and Staff testimony which is now due October 2, 1995. SCE&G has had conversations with the Intervenor in which the Intervenor expressed some concern about possibly not receiving answers from discovery in time to properly prepare their testimony. SCE&G has received numerous interrogatories from the Intervenor, and the answering of the discovery has been affected.

Accordingly, SCE&G suggests and requests the granting of an extension to all Intervenor and Staff to pre-file testimony from on or before October 2, 1995 to on or before October 16, 1995. SCE&G would then need an extension to file its rebuttal to on or before October 27, 1995, and SCE&G has agreed to an extension for surrebuttal to on or before November 3, 1995. Of course, all parties would serve all other parties with copies of their testimony and exhibits.

The Commission has examined this proposal by SCE&G, and believes that it should be granted. Pre-filing dates are therefore modified as stated above.

This Order shall remain in full force and effect until further Order of the Commission.
